Description

Set on the Northwest coast of Barbados sits this bright yellow gem in a pristine beachfront location. Aquatreat Beach house offers a serene environment away from the hustle and bustle of town. Step onto the beach and feel your toes sink into the warm white sand and take a refreshing swim in the cool, clear waters. Sit on the sun deck and get lost in the beautiful views of the ultramarine sea and the gentle ocean breeze. Almost everyday you can wallow in the water with the sea turtles who come in and swim right up to the reef on the shore; our guests are always in for a special photo-op treat.

Located about a 2 minute drive from Speightstown, guests can easily access amenities such as the supermarket, bank, gas station, convenience stores, restaurants, pastry shops and more.

Located on the ground floor is a 1 bedroom apartment with a spare room, which can sleep four persons. Access to the main bedroom is from the living/kitchen area via the open plan second "bedroom" (spare room). This unit also has one bathroom and is fully equipped with a kitchen and a shared patio and sundeck with the neighboring apartment. If you're looking for a charming beach house in a peaceful location, Aquatreat is truly a special place to stay.
