Description

Nirvana is a luxury beachfront property located in Fitts Village with a top floor that has been transformed into a unique sunset bar with plenty of seating, offering elevated sea and beach views. Once the sun has set the uplifting music and glow of the subtle lighting takes over while guests enjoy expertly prepared cocktails and canapés under a star filled night. The best in chef prepared cuisine can be enjoyed in a formal setting within the luxurious interiors or around the perfectly square alfresco dining table which can seat up to 12 hungry guests. Perhaps the best spot for relaxing in the company of friends and family is the lounging area located right on the waters edge where sundowners or after dinner coffees can be enjoyed. The ground floor offers a beautiful guest bedroom whilst the master bedroom and 3 other bedrooms are located on the upper floor.

Fitts beach has lots of activities going on, so there is always something to do. There are lots of water sports activities such as scuba diving, jet skiing and tubing. The Concierge can assist with any arrangements that you require. Close to the house is a coral reef which is excellent for snorkelling, it's an amazing way to see the colourful world under the water. Restaurants are close by such as Il Tempio and Cin Cin, which are ideally situated on the sea front. Hometown is just a 10-minute drive away and here is where the best cafes and high-end shops, banks and restaurants.

If you're looking for additional accommodation for a larger group or just require four-bedrooms, consider our luxury sister property Mirador located within a two-minute walk from Nirvana. Mirador (four bedrooms) can be booked along with Nirvana (five bedrooms) offering a total of nine bedrooms for up to 18 persons or it can be booked independently.
