Apes hill

Description

The remarkable elevation at Apes Hill, which sits just a short distance from the island's highest peak, allows for a multi-sensory experience involving the trade winds from the east, indigenous gullies, gardens, and nature views. High ceilings and extra-large glass doors create a fully open space, blending inside/outside. The focal experience features outdoor entertaining, privacy, intimacy, and the integration of the natural tropical environment to enable the gloriously, laid-back yet luxurious lifestyle that so epitomizes the island of Barbados.

The design approach of the Moondust Villa, located at Moonshine Ridge, embodies a timeless, fresh, clean, and boldly modern interpretation of Caribbean living while paying homage to the island's heritage with contrasting elements of indigenous natural stone taken straight from the grounds of Apes Hill itself.

Moondust Villa is situated on 13 Moonshine Ridge, a private location in a peaceful cul-de-sac, adjacent to mature housing, with access to all the benefits of this highly desirable community.
