Description

The remarkable elevation at Apes Hill, which sits just a short distance from the island's highest peak, allows for a multi-sensory experience involving the trade winds from the east, indigenous gullies, gardens, and nature views. High ceilings and extra-large glass doors create a fully open space, blending inside/outside. The focal experience features outdoor entertaining, privacy, intimacy and the integration of the natural tropical environment to enable the gloriously, laid-back yet luxurious lifestyle that so epitomizes the island of Barbados.

Moondust Villa is situated on 13 Moonshine Ridge, a private location in a peaceful cul-de-sac, adjacent to mature housing, with access to all the benefits of this highly desirable community.
