Description

DUE TO COMPLETE SUMMER 2024

The Moonshine Ridge collection of golf course homes reflects the passion of Apes Hill Barbados for preserving and celebrating nature.

The remarkable elevation at Apes Hill, near the island's highest peak, allows for a multi-sensory experience involving the trade winds from the east, indigenous gullies, gardens and nature views. High ceilings and large glass doors create a fully open space, blending indoors and the tropical environment outdoors to enable a laid-back yet luxurious lifestyle that epitomizes the island of Barbados.

There are several signature design features in the Moonshine Ridge homes, including large open spaces with floor to ceiling glass doors and windows. This attracts natural light and the outdoors into the home. While all bedrooms are equipped with air conditioning, the elevated location at Apes Hill allows you to keep cool naturally through the refreshing Atlantic breezes that flow through the villa. This promotes energy conservation and a healthy connection with nature.

Apes Hill's environmentally friendly, contemporary and transitional villas are perfectly designed for an active, wholesome, lifestyle.
