## Description

Cloudreach is a unique 4-bedroom, 3-bathroom house on four levels at Sturges St. Thomas. The house is situated in the midst of a mature and productive mango orchard, on sloping land with excellent 200 degree views across the island, over Bridgetown and out to the sea.

### Upper Level

Master Bedroom with double vanity ensuite bathroom with large stall shower, 2 person tub and built in closets. The master suite also features an elevated loft type home office. A Romeo & Juliet balcony overlooks the pool and back garden from the master suite. The landing overlooking the living area connects the master suite with another bedroom.

### Ground level

Entrance patio with bridged walkway over a wrap-around, open plan living room with terrace dining room, open plan kitchen and bar, black finished infinity edge swimming pool with integral hot tub and outdoor shower. A large engineered wood and limestone deck surrounds the pool.

### Middle level

2 Bedrooms, 1 double vanity bathroom with shower and tub, music/library alcove

### Lower level

Two car garage, laundry room, large ground level space partially developed for an apartment

### Features

Burglar bars throughout  
Electric roll-down hurricane shutters  
Solar water heaters
