Description

The Sands Barbados is a new, stylish beachfront condo-hotel that offers 87 contemporary-styled units. The property is located on 2.48 acres of stunning beachfront, on the popular South Coast. The Sands delivers a high-end resort and residence living space. The units are spacious and offer a open-plan layout that look out on to a breathtaking white sandy beach and crystal clear azure water. The free flowing layout make these units ideal for entertaining. These beautifully furnished condos house spacious bedroom, with sizable bathrooms. The units available are studio, 1 and 2 bedrooms. As an owner at the Sands Hotel and Residences in Barbados, you'll have the opportunity to fully own a luxurious and furnished beachfront vacation home in a premier location on the island. Located within walking distance of many restaurants, supermarkets, golf courses, and other amenities, you'll have everything you need at your fingertips. Owners also have the ability to sell their condo at any time and have the flexibility to make the most of their investment and lifestyle. Don't miss this chance to own a piece of paradise!

The studios feature a private patio or balcony. They come equipped with a kitchen, air conditioning, and a flat screen TV.
